APICS Professional Development Meeting February 24th, 2009
Meeting on February 24th, 2009, 6:30 PM, at Club LeConte, Knoxville, TN

Current Economic Development Efforts in East Tennessee

Presented by:

Todd A. Napier

Executive Vice President

The Development Corporation of Knox County

Description:

Organizations operate within communities, and the viability of a business is closely linked to the resources afforded by the local area. Knowing the future direction of resource development aids planning for any local business. This presentation will inform you about changes that are being implemented in our local area.

Program Goals:

Attendees will gain an understanding of the "lay of the land" for local economic development efforts and Knox County's Business Incubator's startup business competition, and will learn how education is linked to economic strength on a local level.

Members in Attendance: (Note Attend 2 points continuing education)
