Joint meeting with SME

Resume Building Clinic

Attention APICS & SME members:

In this floundering job market it's getting harder and harder to find a job and even harder to find a rewarding position within a company. On Tuesday, March 24th SME Chapter 107 in conjunction with Aerotek Energy Services will be conducting a FREE "Resume' building clinic". This clinic will be free to all who attend and there will be no one soliciting you. In addition we have invited several Human Resources Directors from several local companies to give you their point of view on what they look for in an applicant.

This first clinic will be limited to only 20 people, so if you're interested please RSVP as soon as possible to jcrowell@lhtech.com

* If you have a resume' that you already have prepared and would like to have it evaluated feel free to bring it with you and we'll look it over.
